## Tango and more

### A Journey Confirmed

I am delighted to announce that our **South America Tango Cruise departing December 22, 2026, is officially confirmed — and we are set to sail.**

Thank you to all of my loyal returning guests and new guests for your incredible support and enthusiasm. **We are truly excited to share this unforgettable journey with you once again.**

### A Voyage to the Edge of the World

The Journey Begins in Santiago - On **December 22**, upon arrival at Santiago International Airport (SCL), you will be greeted and cared for through out this extraordinary South American adventure.

**Santiago • Patagonia • Cape Horn • Falklands • Montevideo • Buenos Aires**

**Santiago & Casablanca Valley** - We begin our journey in Santiago with an exclusive winery experience and gourmet lunch in the celebrated Casablanca Valley, before transferring to San Antonio Port for embarkation.

**Patagonia & Wildlife Encounters** - One of the highlights of our voyage arrives on **Day 6**, as we reach **Punta Arenas**, gateway to some of Patagonia's most extraordinary wildlife experiences. Guests may choose to join an exclusive excursion to nearby islands, where vast **colonies of penguins** gather along the shores while **sea lions** and seabirds inhabit the rugged coastline. With favorable sea and weather conditions, the surrounding waters may also reveal **southern dolphins** — or even **whales** — a reminder of the raw beauty of this remarkable region.

**Daily Dancing & Tango Experience** — Throughout the voyage, guests will enjoy daily dance classes, Milonga, social dancing, and unforgettable shared moments, as friendship, camaraderie, and the spirit of Tango become the heartbeat connecting our journey.

**Cape Horn & Ushuaia — At the Edge of the World** — In Ushuaia, the southernmost city on Earth, we arrive at a destination that feels like the threshold to another world. Soon after, on Day 9, we sail toward one of history's most legendary passages — Cape Horn, where the Atlantic and Pacific Oceans meet and where the spirit of exploration comes vividly to life.

**Falkland Islands** - Later in the voyage, we visit the remote Falkland Islands, offering another extraordinary opportunity to encounter penguins and unique South Atlantic wildlife in one of the world's most untouched environments.

**Montevideo & Buenos Aires Finale** - Guests will enjoy time in elegant Montevideo, known for its charming boulevards, European architecture, and vibrant café culture. Our journey concludes in Buenos Aires, where authentic Tango culture, exceptional dining, and unforgettable evenings await.

**Throughout the voyage**, Tango remains the heartbeat of the experience — connecting guests through music, movement, friendship, and meaningful moments shared together.

For those wishing to extend the experience, an optional luxury Buenos Aires stay offers **fine gastronomy, world-class Tango Show and the opportunity to immerse in local Tango culture through authentic traditional milongas** and additional time to explore one of South America's most captivating cities.

**Join Us** - This is a carefully curated journey with limited remaining availability. Many of our loyal guests have already secured their place and are excited to be part of this once-in-a-lifetime experience.

If you or know friends who are still considering joining this cruise, this may be the final opportunity to become part of this extraordinary adventure.

We would love to share this remarkable journey with you.
